The Bulldog

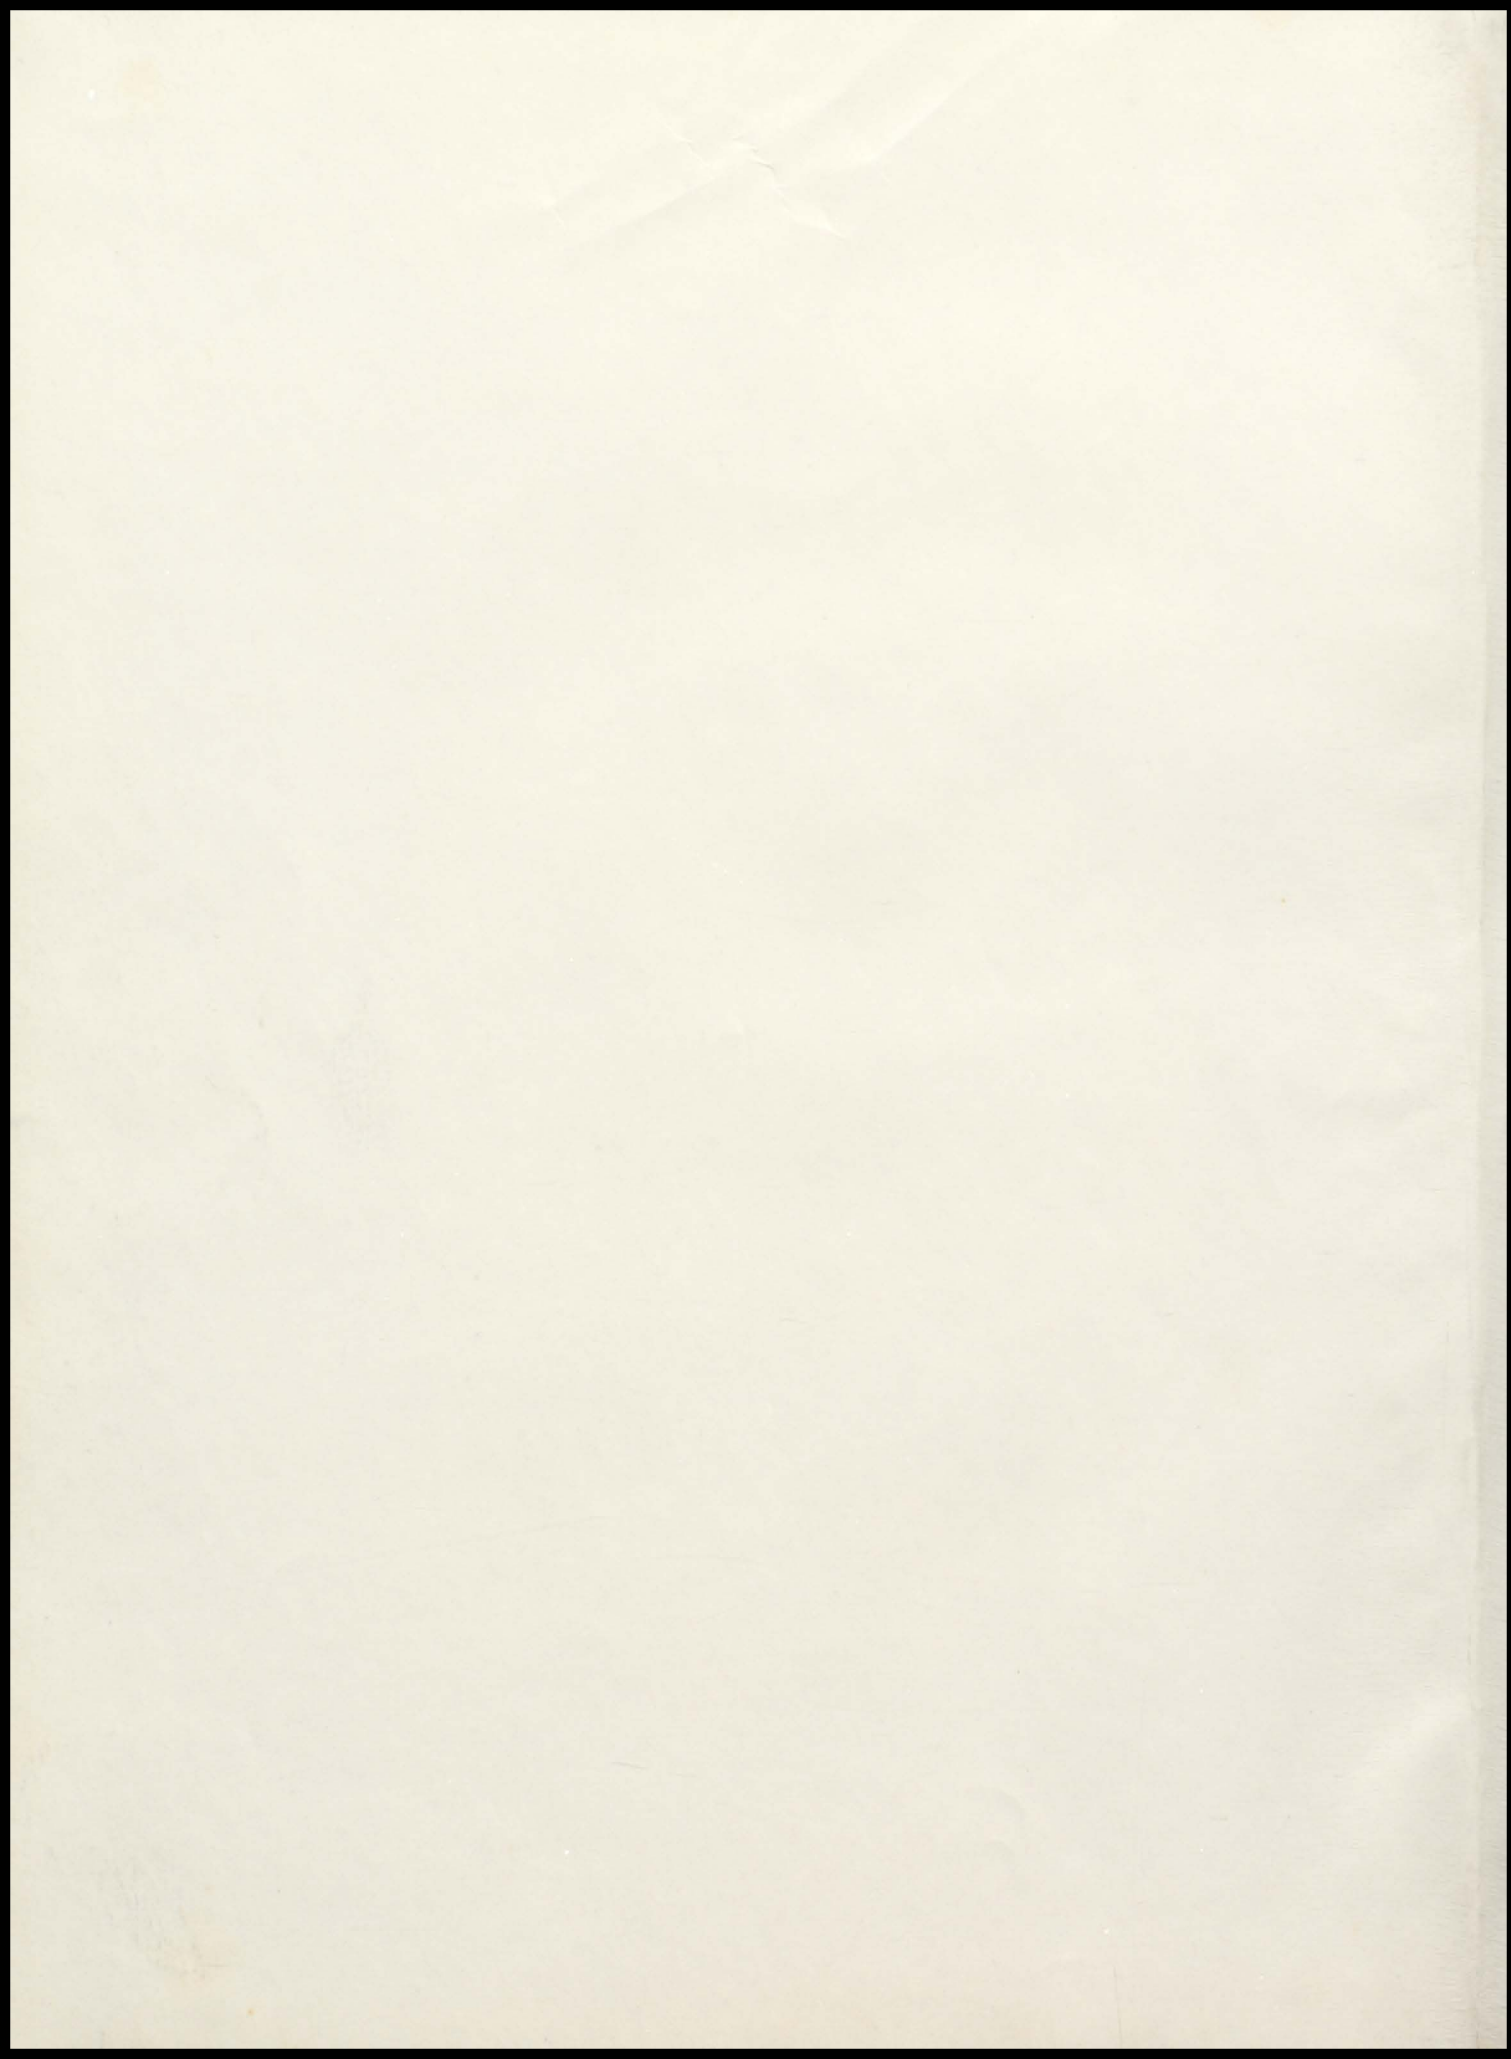

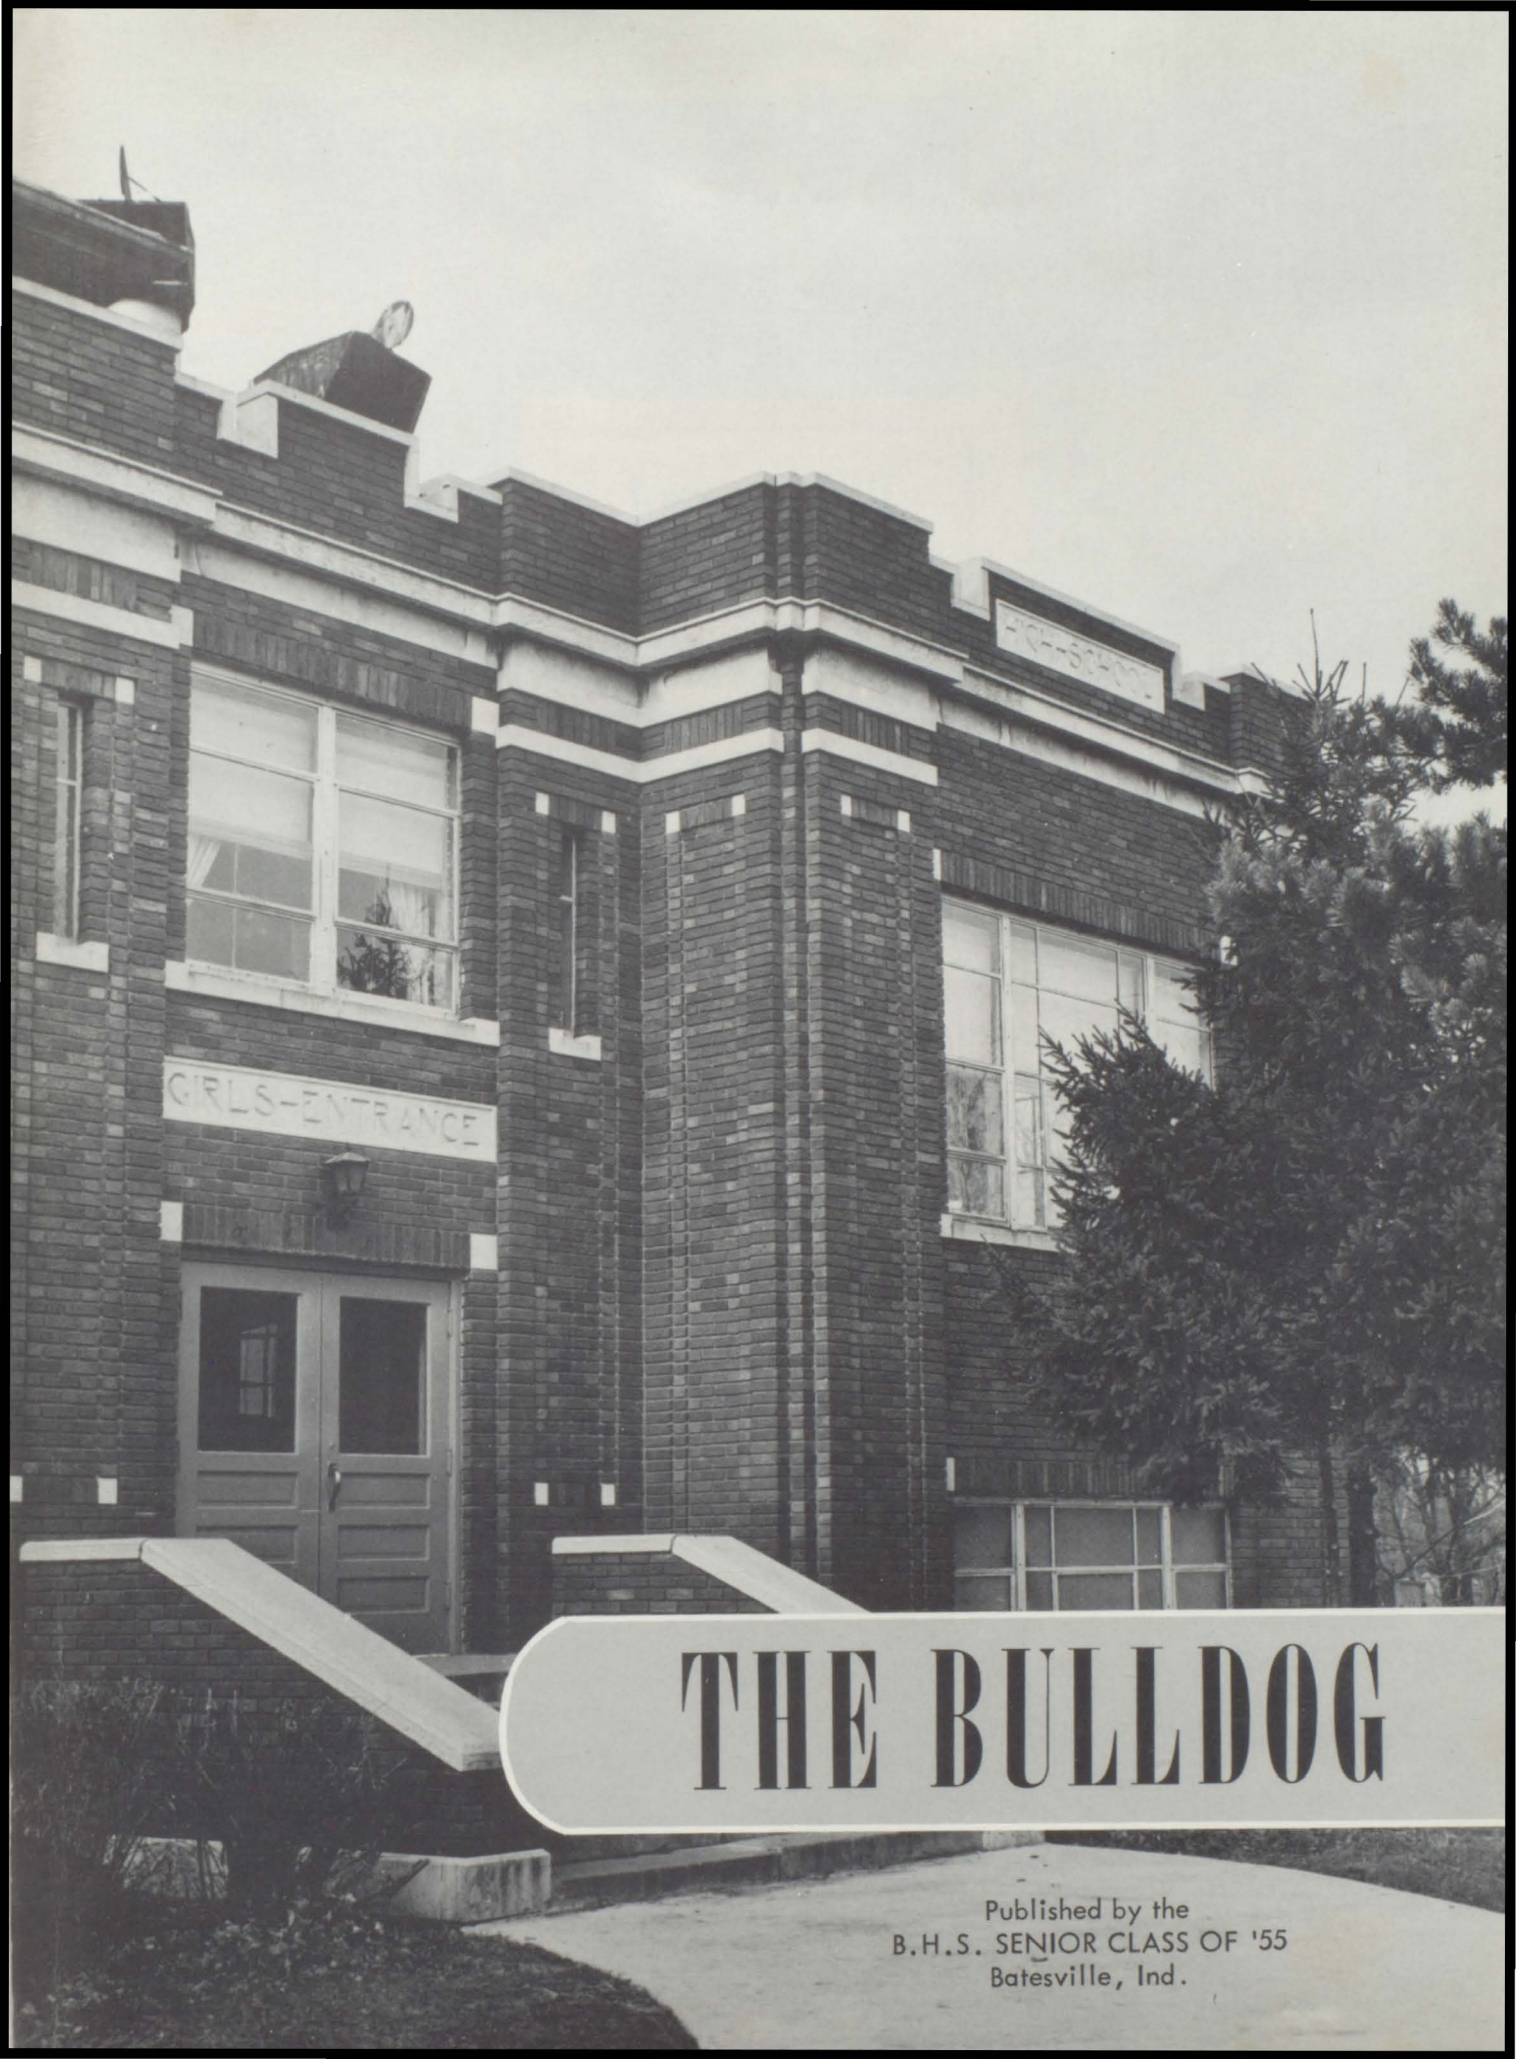

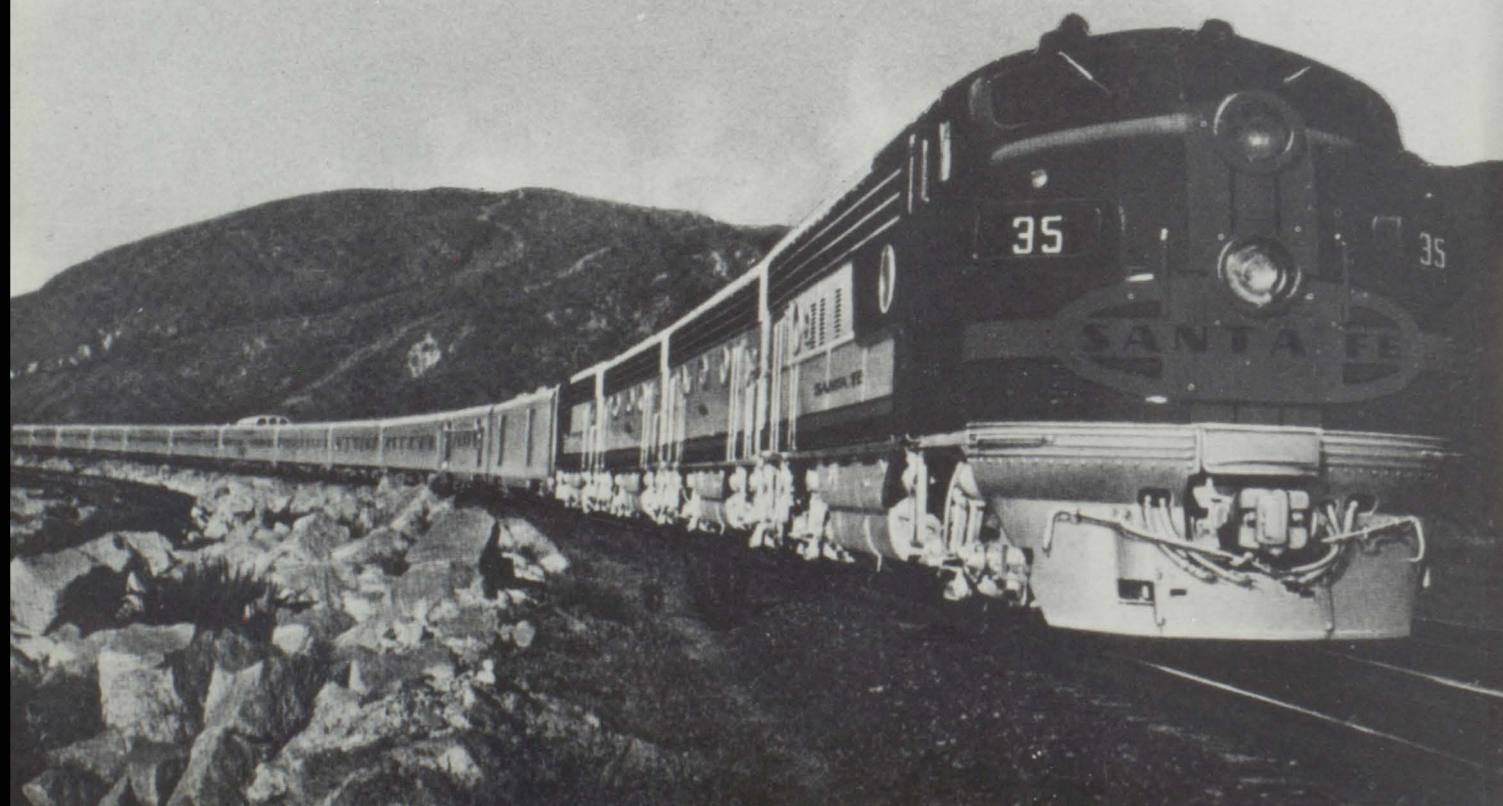

THE BULLDOG

Published by the
B.H.S. SENIOR CLASS OF '55
Batesville, Ind.

Foreword

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the "1955 BULLDOG Staff" that, as you glance through this book in the years to come, you will recapture those moments--and the echoes will begin again.

Our Yearbook Staff

ADVERTISING COMMITTEE

Left to right-J. Hortemiller, D. Wenning, G. Swain, B. Nickel, D. Seevers Chr., B. Erne, D. Gannon, M. Tekulve, P. Kile.

This comm. was responsible for all the ads in the book. They were given a job to do, and they did it well. If it were not for this committee it would be impossible to put out a yearbook, as a good deal of the expense is met by the help of advertisements.

EDITORIAL STAFF-

Jeanie Flodder, Mr. Munchel, advisor, Kathleen Uhlmansiek.

This staff is responsible for the composition of the annual. They must see that all the pictures are taken and are placed on the right page. Another of their duties is to meet all deadlines.

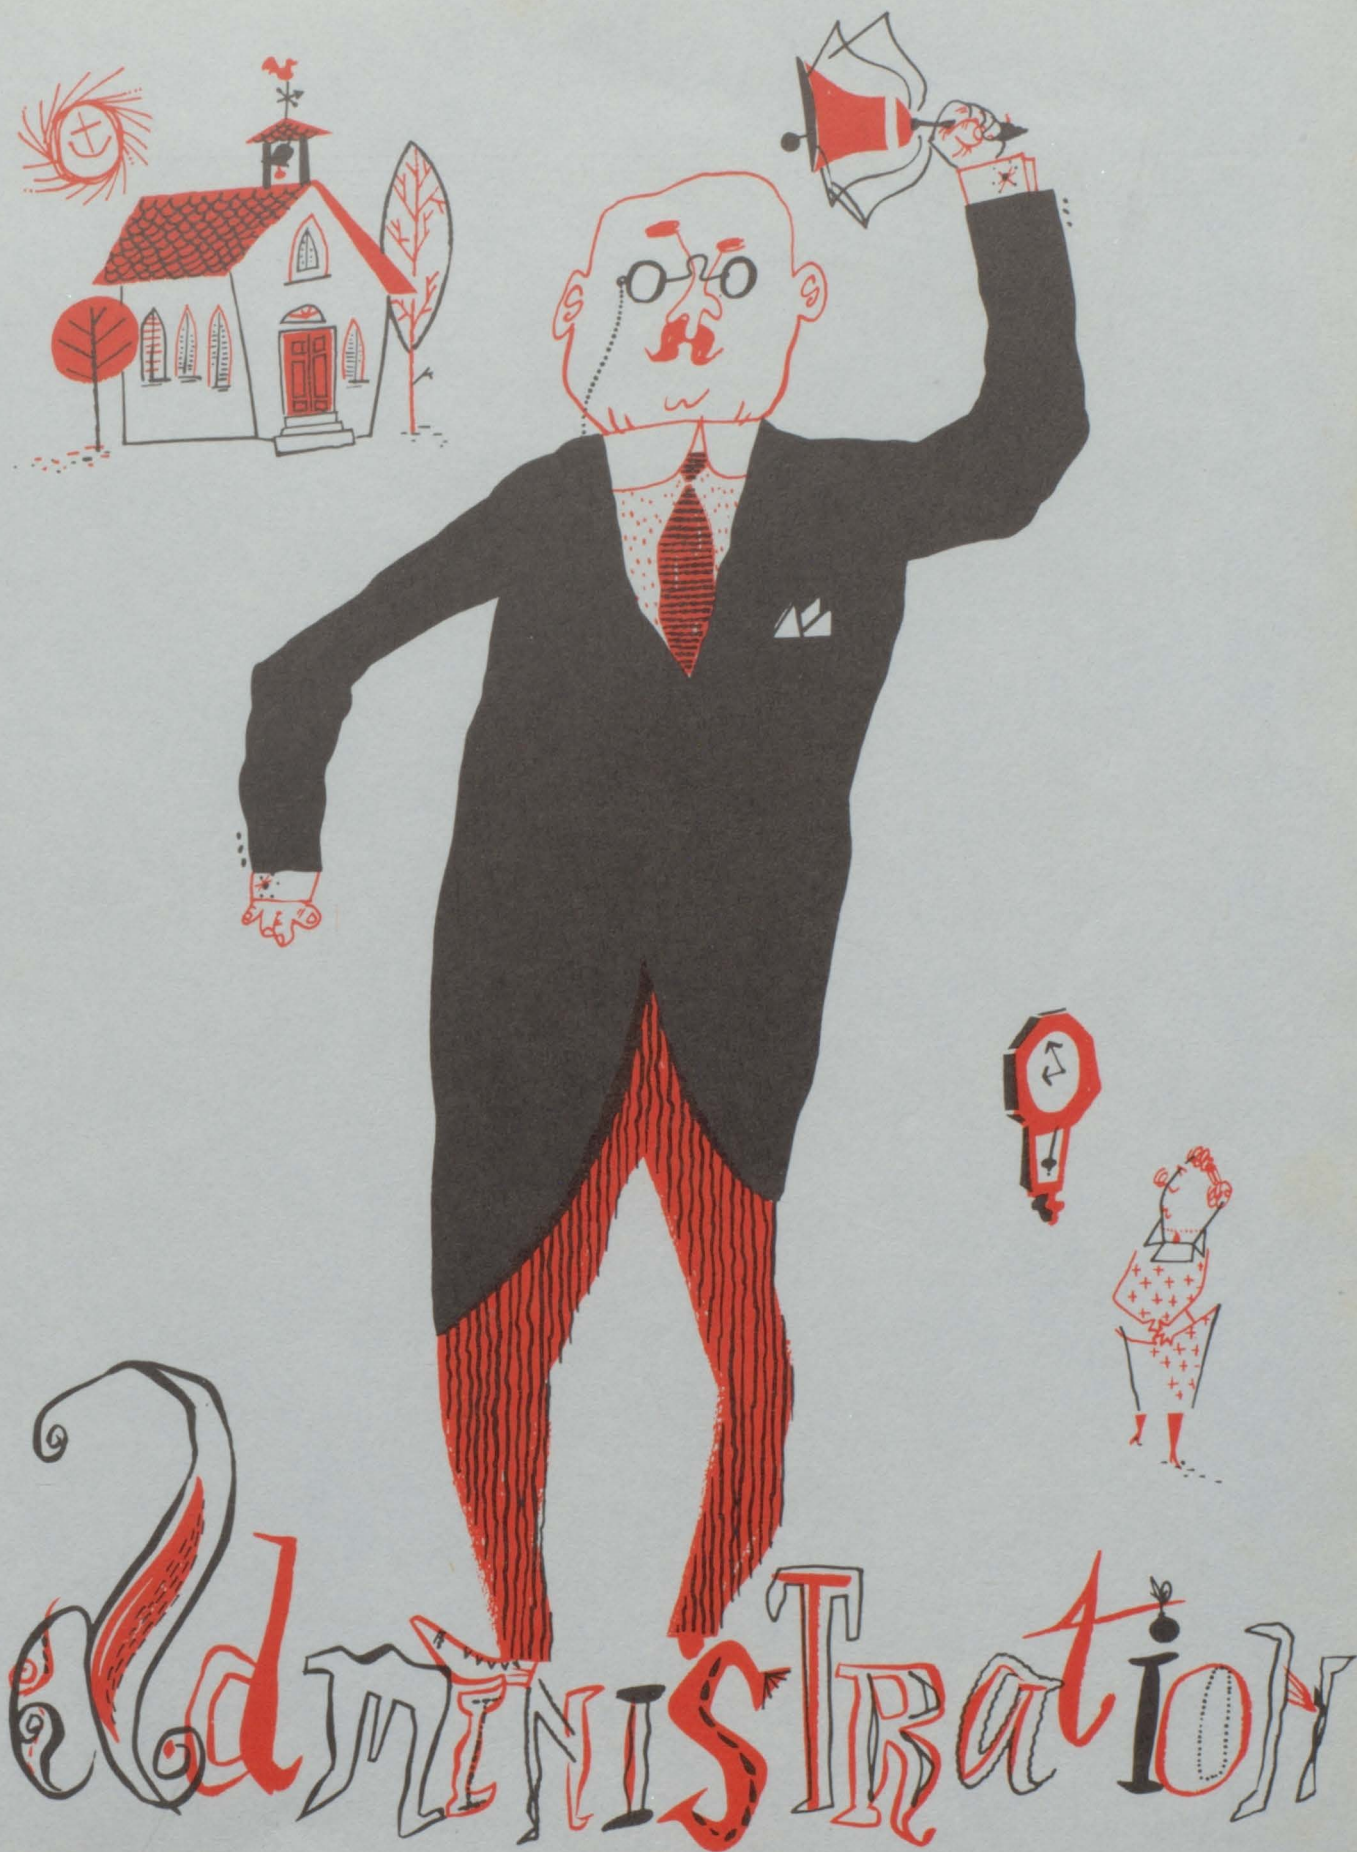

PROOF-READERS, SALES COMM., WRITE-UP COMM.-Left to right-J. Huneke, I. Wilson, S. Timmerman, C. Schrader, K. Wissel, L. Deffner, D. Thie, J. Winland, M. Shook.

The proof-readers were depended upon for the correctness of spelling along with many other checks to see that everything was right in the annual.

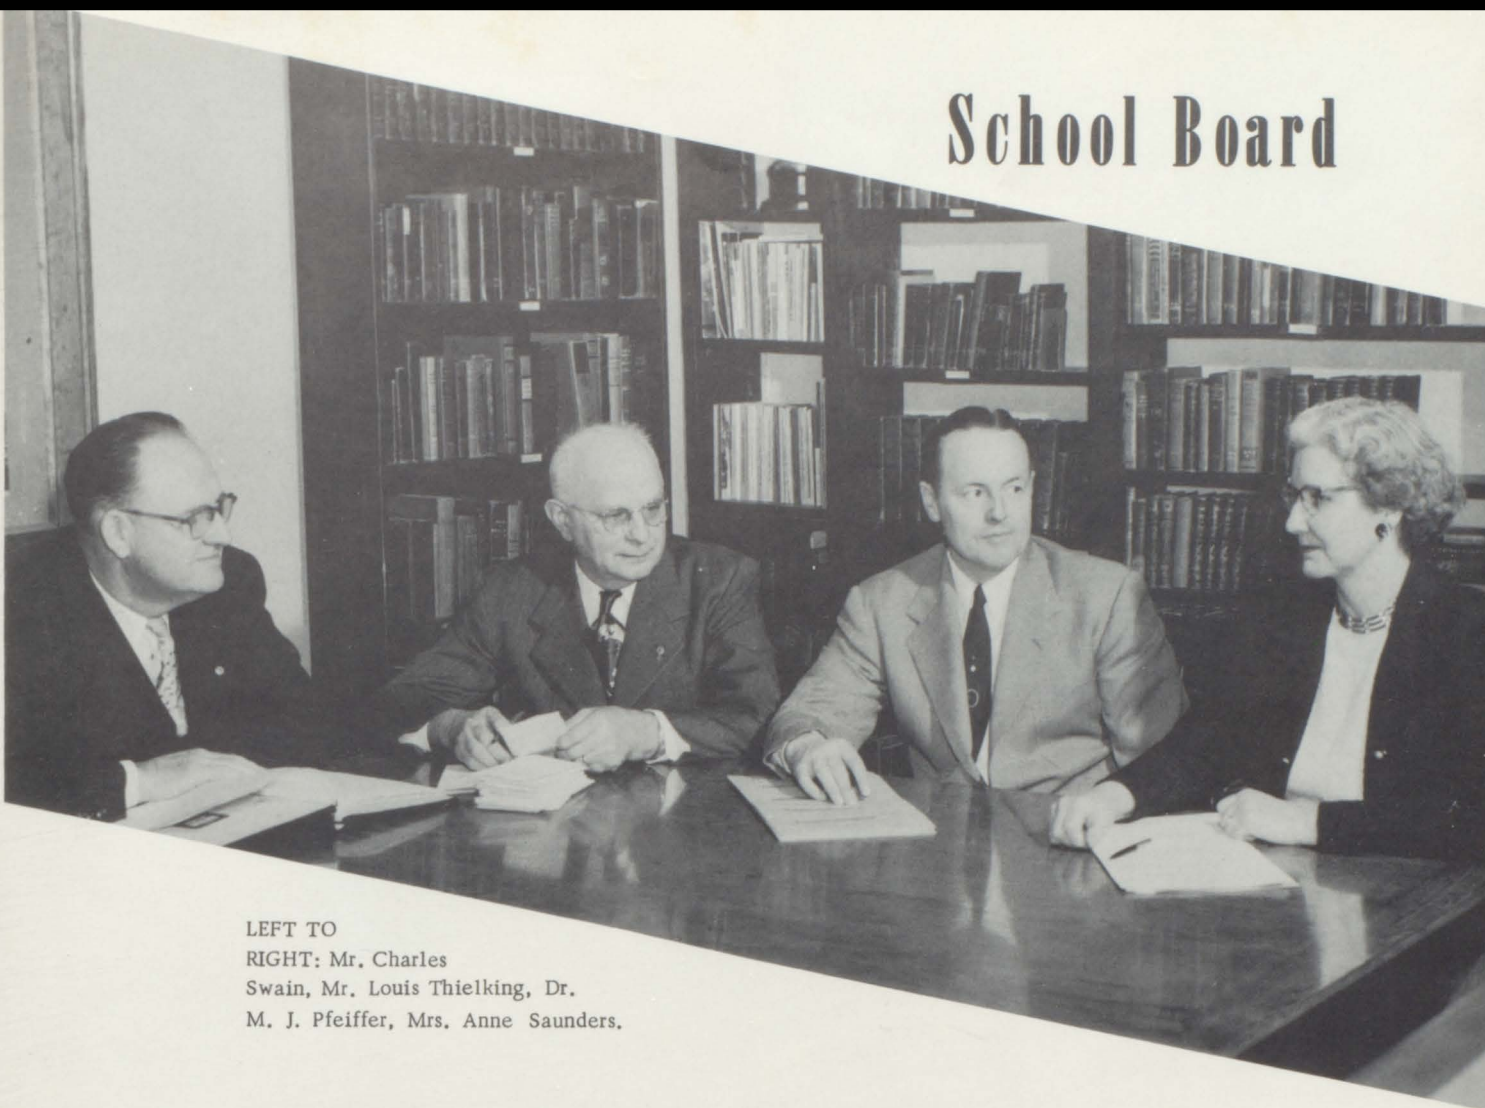

The sales committee's main job was to take subscriptions for an annual.

The write-up committee had the job of composing the written material needed to complete the annual.

School Board

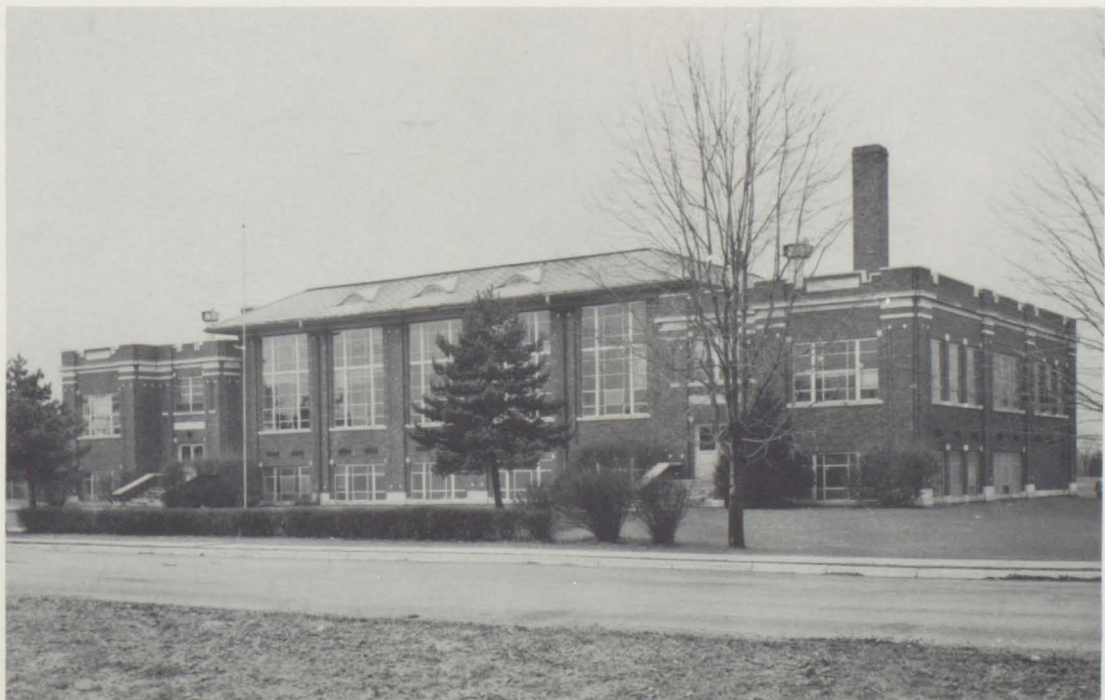

LEFT TO

RIGHT: Mr. Charles

Swain, Mr. Louis Thielking, Dr.

M. J. Pfeiffer, Mrs. Anne Saunders.

The Board of School Trustees has many responsibilities and duties; their main responsibility is making desirable school policies. Other duties include the selection and employment of school personnel, provision of buildings and instructional supplies.

Superintendent

CHARLES I. SWAIN

Chemistry

In the two years Mr. Swain has been with us he has proved to be an able administrator.

Secretary

ANN ROTH

Taking care of school supplies for the students and fulfilling the obligations of school secretary keeps Ann busy.

Principal

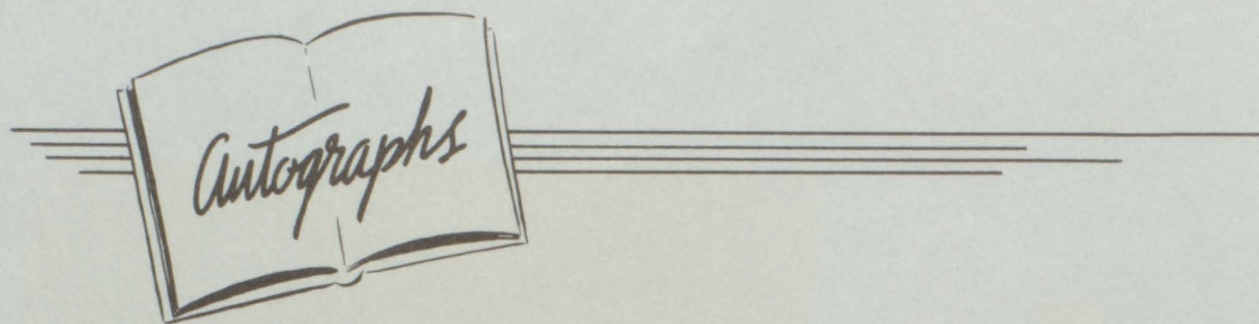

JOHN H. FRUSHOUR

Physics

Mr. Frushour, who has a variety of jobs to manage, is kept occupied from the 8:05 bell until the sound of the dismissal bell.

Student Council

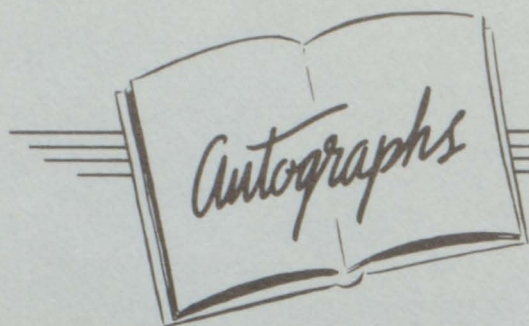

LEFT TO RIGHT, STANDING ROW: Mr. Brokamp, D. Fichtner, K. Werner, Q. Siefert, J. Lemasters, treasurer; Mr. Frushour, J. Hortemiller, R. Abplanalp, B. Drockelman, J. Kruse. FRONT ROW: K. Boehmer, J. Flodder, secretary; A. Wallpe, J. Saunders, L. Deffner, vice-president; J. Doyle, president; R. Ake.

The student council is the student governing body of our school. Each class, excluding the Seniors, elects one representative for every fifteen members of the class. The Junior class members are automatically members for their Senior year.

Student suggestions for improvements of the school system are taken before the faculty by the council. This body also plans entertainment for the activity periods throughout the year. Three members of the Student Council, chosen by the council and approved by the faculty, act as a Student Court.

Class History

As we, the Seniors of B. H. S., stroll down "Memory Lane," many happy memories of days past come into view. To the right we see ourselves as Freshmen of 1951-52. Here we are, 78 lowly "rhines," about to begin the long journey through high school. We held our first class meeting in the gym and elected John Becker, Pres.; Jim Hortemiller, V. Pres.; and Jeanie Flodder, Sec.-Treas. As sponsors we had Miss Wanning and Mr. Fields. We were soon greeted with initiation after which the Seniors gave a party in our behalf. Two class parties also highlighted the year.

As we walk on, to the left, we see ourselves as Sophomores of 1952-53. This was the year of many chicken and turkey suppers. The election of officers this year produced this group, Bob Kelley, Pres.; Jim Hortemiller, V. Pres.; and Janice Huneke, Sec.-Treas. We went on a skating party to Harrison and although we weren't experts, we had a good time. Our class sponsors were Mr. Gardner and Mrs. Gehring. This year was brought to a tremendous climax by our long-awaited three-day biology trip to Chicago.

A little farther on down "Memory Lane" we see ourselves again, this time as Juniors of 1953-54. This year holds many memories; Jr. hayride and wiener roast, Jr. play "The Clutching Claw" a mystery we'll never forget, and the Prom. The theme for the Prom was "Treasure Island" and was centered around pirates, shipwrecks, cutlasses, etc. On our Jr. outing, we went to LeSourdsville Lake laden with food enough to feed an army. Which it did--an army of Juniors. Our officers this year were Lloyd Klusman, Pres.; Dolores Seevers, V. Pres.; and Janice Huneke, Sec.-Treas; and our sponsors were Mr. Gardner and Mrs. Gehring.

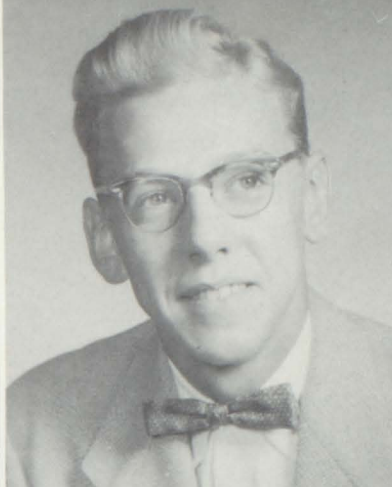

Now we come to the end of "Memory Lane," for we are now Seniors of 1954-55. This year we held initiation and a party for the Freshmen. On March 11, we presented our Sr. play, "Love Rides the Rails" or "Will the Main-Train Run Tonight?" This is also the year we were the honored guests at the Prom. Our planning for our class trip, producing the annual and class day are all happy memories. At last we come to the end of our high school days, Baccalaureate and Commencement. Our officers this year were Lloyd Klusman, Pres.; Bob Erne, V. Pres.; Janice Huneke, Sec.; and Jeanie Flodder, Treas. Our sponsors were Mr. Gardner and Mr. Frushour.

As we stand here looking back over our four years of happy memories which compose our high school days, we stop to wonder what will become of this Senior Class of 1955 in----THE FUTURE.

Shorthand

Shorthand is a 2 year course and should not be taken unless the student expects to complete the full 2 years. The 1st. semester covers the entire theory of Simplified Gregg Shorthand with major stress on reading skills. The 2nd. semester features the writing and transcription skills. The 3rd. semester consists of building speed in taking dictation and stresses speed and accuracy in transcribing the notes on the typewriter. The 4th. semester continues to build previously acquired skills, but also includes the introduction to such other office activities as filing, duplicating, dictaphone operation, etc.

Typing

Typewriting course consists of one year's work in the principles of modern touch typewriting and is required of all students planning to major in stenography. The course is ordinarily taken in the junior year but it is also open to seniors. Mastering the keyboard and the building of speed and accuracy is the goal of the first semester. The second semester stresses business letters, manuscripts, tabulation, as well as various types of personal typing.

Bookkeeping

Bookkeeping is a one-year course open to all seniors. It is designed to give the student an over-all picture of the double-entry bookkeeping system as well as intensive drill in each detail of the work of the bookkeeper. From a personal viewpoint, taxes, personal budgeting, and family records are also stressed. Three practice sets, including one designed for a partnership, are completed and apply the principles learned.

FLODDER BROS. and HERALD TRIBUNE

Elective Courses

Latin

Latin is an elective subject and is offered to sophomores and juniors. The course consists of grammar, translation, study of the Romans as a people, and some mythology.

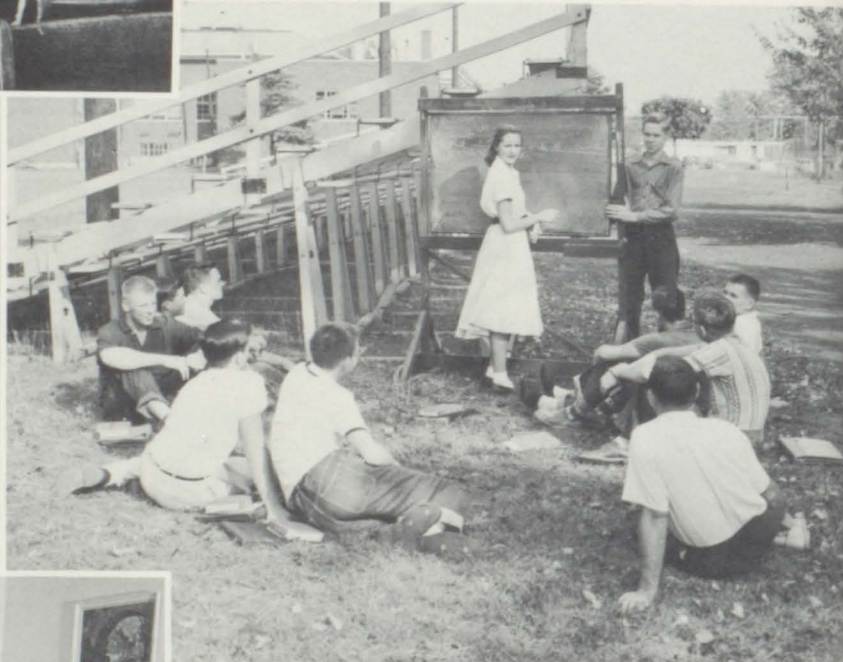

The value of Latin lies in the fact that it is the foundation and source of much of our language; it is the basis of six modern languages; it helps build good study habits as it requires clear thinking and reasoning; also, Latin stories deal with incidents in the ordinary life of the people, which will enable the modern student to understand better his own problems.

Advanced Math

The mathematics courses consist of elementary algebra, solid geometry, and trigonometry, general mathematics, plane geometry, advanced algebra.

The picture shows an advanced algebra class. Advanced algebra is offered in the first semester of each year as a junior subject. Solid geometry and trigonometry are offered during the second semester on a two year rotation to juniors and seniors.

One year of math is required to graduate but the advanced classes are elective courses.

World History

World History is included in the social studies program of Batesville High School.

The aim and goal of the entire social studies program is to develop informed, alert, and active citizens for living and participating in a democratic community, country, and world.

World History is an elective subject for sophomores. It deals with the story of mankind from the beginning of civilization to the present time, showing how the contributions of ancient peoples affect present day civilization.

POSKE MANUFACTURING CO.
and
MR. & MRS. J. P. CURRIN

The Sciences

Chemistry

Chemistry is a science of the study of matter and how elements interact to form compounds and mixtures. The purpose of the course are, (1) To teach pupils to think scientifically and to understand and apply the scientific method, (2) To develop an appreciation for the nature of their environments and the ability to apply knowledge of Chemistry to the normal life activities of the average person.

Physics

Physics is offered to Juniors and Seniors. A prerequisite of two years of Math. (One year of Algebra and one year of Plane Geometry) is necessary to enroll in physics.

The major units covered in the course are: mechanics, heat, sound, light, magnetism and electricity. Students interested in the engineering fields are especially urged to enroll in this course.

Biology

Biology is the science of life. Plants and animals, the simplest to the most complex are studied with emphasis on their relationship to human welfare. Environment, heredity, and conservation are important phases of biology.

There are no prerequisites for entry and it is the most elementary of the sciences offered.

Elective Courses

D. C. E.

The Diversified Cooperative Education program is a vocational program set up whereby junior and senior boys have an opportunity to learn a trade or a business by using local industries and business facilities. The students in this program spend half their day in school and the remaining half-day at some job.

Drivers' Education

This is an elective course open to students who are 15 1/2 years of age or older. This course is offered on a one semester basis and may be taken either semester. One-half credit toward graduation is given for satisfactory completion of this course.

A minimum of twenty hours are devoted to class work with a minimum of six hours behind the wheel driving for each student.

Journalism

This is a course in which the students have an opportunity to visit newspaper, commercial printing and engraving plants.

The course included study of content, emphasis, editorial policy, make-up, and layout of newspapers from many cities and also of school papers exchanged for this purpose.

Compliments of
M. F. BOHLAND ATTORNEY and
SCHENE RADIO and TELEVISION REPAIR

Vocational Courses

Shop

The shop program is organized to stress practical experiences such as those that will provide the knowledge and skills that will be needed and used in everyday life by our graduates.

Hand woodworking is the fundamental shop course. An introductory study of blue-print reading and sketching is made and working drawings are studied and made.

The course is divided into six weeks experience in each area. There are: tool maintenance; cement and masonry; electric wiring; household plumbing; hand wood-working; and machine woodworking.

General shop is open to all boys in high school, and is an excellent elective for those seeking a single year of shop work.

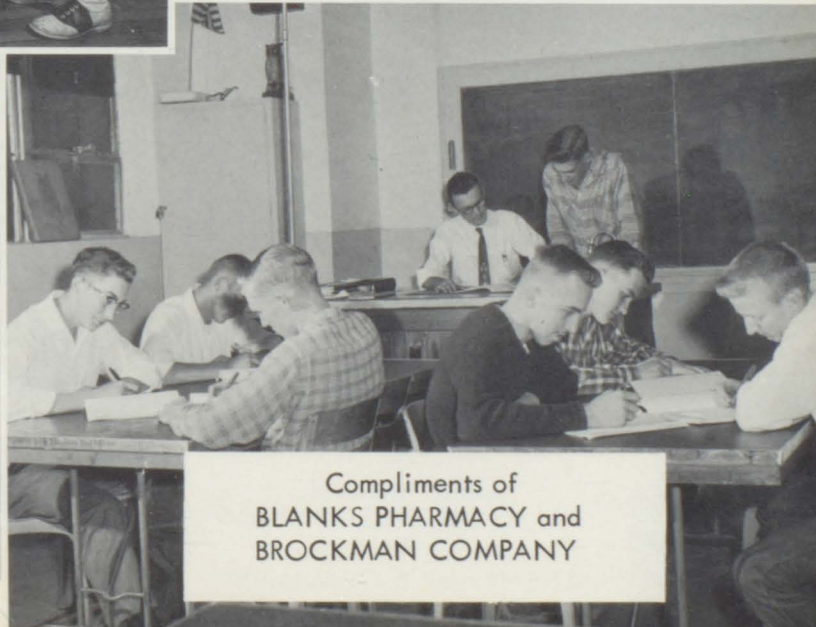

Home Economics

The Home Economics department aims to teach fundamental skills through its laboratories, and to present the latest in equipment and technique.

The senior group has an opportunity to select a course of study contributing to specific interests such as—a personal interest, skill in tailoring, home decoration, flower arrangement, special cookery, child care, sewing techniques, and many other useful skills.

Agriculture

The primary aim of agriculture is to train present and prospective farmers for proficiency in farming. In order to accomplish this aim, all boys taking agriculture must have a supervised farming program. A supervised farming program may consist of one or more of the following projects: (1) productive enterprise projects, (2) improvement projects, or (3) supplementary farm practices.

Compliments of
BLANKS PHARMACY and
BROCKMAN COMPANY

English

English is a major. In English courses the student receives the fundamentals of language which, if properly applied will enable the student to speak and to write more clearly and to read more intelligently. Each course is devoted to the study of grammar, oral and written compositions, and meeting comprehension. It is the basis for all other subjects of study, as well as being most important in the home and in the business world.

W. Geography

Geography is an elected course for Senior and Junior students. It is a one semester course that surveys the theories as to the earth's origin and present arrangement of geographic features and weather. Emphasis is placed upon the influence of geography in the development of nations and the geographic basis of relations between countries.

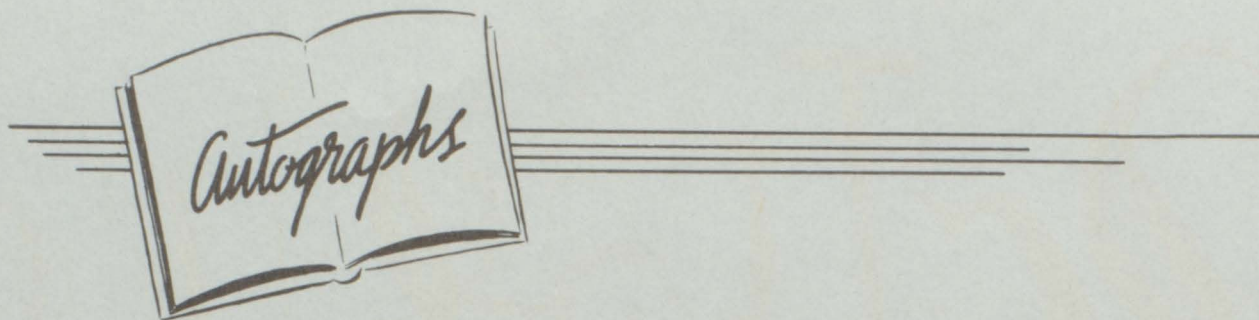

Civics

Civics is a course in local, national, and international government. It is a one semester required subject for seniors. While most stress is on developing understanding of the function and operation of national government, some time is spent studying various government and economic systems, i.e., socialism, communism and fascism; the origin, foundation, and development of American government; and local government at a state, county, township, city, and town level.

Coach

TOM McCONNELL

Coach McConnell, in two years has produced Bulldog teams known for their hard hitting line and well drilled fundamentals. Tom is not only a fine coach, but also a great leader of boys.

Asst. Coach

HENRY REEVES

Hank, the line coach, must be credited with much of the success of the team, because the Bulldogs made nearly all of their gains on the ground.

Seniors

Bob Dillhoff--Dilly is noted for his aggressive "never say die" spirit at guard.

Ken Emsweller--"Monk" made the switch from end and did a fine job as defensive guard.

Alton Gibson--"Gibby" did the punting for the Bulldog's.

Jerry King--"Pete" lead the down-field interference for the backs.

Larry Meyer--Larry played his first year as end on the Bulldog team.

Lloyd Klusman--"Pee Wee" was equally as good at defensive back as quarter back.

Jim Mohr--"Cocky" our best broken field runner held the scoring record for one season.

Ed Weber--"Big Ed" was the Bulldog who anchored the line.

Cliff Schrader--"Big Schrade" played fullback in addition to offensive and defensive guard.

KENNY WEBER--"Big Ken" was a hard hitting offensive tackle and a mainstay in the Bulldog line. DENNY WESTERFELD--"Westy" played well at both end and guard.

FLOYD WERNER--Floyd played both ways in his first year of football. BILL ERNE--"Hernie" will be the Senior missed the most by Coach McConnell.
